### *A Matariki Research Workshop*

#### **Nonviolent Conflicts: Research Challenges and Synergies**

Workshop at Uppsala University, May 28-29, 2013

Uppsala University and the Department of Peace and Conflict Research welcome you to the *Matariki* research workshop on nonviolent conflict on May 28-29, 2013 at Uppsala University, Sweden. The aim is to present on-going research on nonviolence (in a broad sense) as well as to identify possibilities for research synergies and collaborative projects in the field of peace and conflict research. We hope to be able to discuss the potential for joint international research in this field.

#### *Practicalities*

The workshop will be held at the Department of Peace and Conflict Research, Gamla Torget 3, Uppsala.

Uppsala University will cover the costs for the workshop (including meals), with the expectation that our partner universities will cover the travel expenses and accommodation costs for their representatives while in Uppsala.

I am happy to help out with any information regarding accommodation or travels within Sweden.
